

HAVE YOU HAD A BIG INCREASE IN YOUR SERVICE CHARGE? FIND OUT YOUR RIGHTS

Following huge increases to service charges for Optivo and Metropolitan leaseholders, St Martins Residents Association have invited the Leasehold Advisory Service (an independent advice service) to come to St Martins Estate to meet with us and to answer our questions.

Come and meet with the Leasehold Advisory Service so we can find out our rights and together plan the next steps to campaign on this issue.

Other leaseholders with other issues to discuss are welcome to come along too.
